# LOCATION MAP

# HOW TO GET TO OUR PREMISES

IF YOU ARE PARKING INSIDE THE BUILDING

Proceed to the underground basement car park of Megan Avenue 2, and drive down to Basement Level 3 (UB3), which is the visitor's parking area.

Find the parking area for Block B, and locate the lift entrance marked "Unit 6 and 7" (pictured above). Park as near as you can to this entrance, and take the elevator inside it to level 13A.

We are just beside the lobby as you exit the lift.

You must use this entrance - the elevators in this entrance are the only ones that lead to our premises.

IF YOU ARE BEING DROPPED OFF AT THE BUILDING

Proceed to the drop off area and main entrance of Megan Avenue 2 (pictured above).

After exiting the vehicle, walk straight down the centre courtyard past the fountains to the elevator lobby located behind the central pillar directly in front of you (circled above). Take the elevator inside it to level 13A. We are just beside the lobby as you exit the lift.

You must use this entrance - the elevators in this entrance are the only ones that lead to our premises.
